We would love for you to be able to read and enjoy the book of your choice from the summer reading list. While there is not an assignment to do with the novel over the summer, you will be responsible for remembering the characters and context of your book to complete the assignment that will be done upon returning to school in August. If you are the type of person to read and immediately forget the text, then please use this document as a place to record your reading.

Chapter	Names of New Characters	What Happens? OR What do you learn?
